

School Board Goals 2014-2015

STUDENT OPPORTUNITY AND ACHIEVEMENT

Empower student learning in an interdisciplinary environment where rigorous academic concepts are coupled with real-world lessons that make connections between school, community, and work, enabling students to be competitive in a global economy.

EFFECTIVE COMMUNICATION

Model transparency in external and internal communications to ensure understanding of the excellence of SCPS and the purpose, rationale, and success of new and existing initiatives.

STAFF EXCELLENCE

Attract, retain, and develop high quality teaching and support staff to ensure staff pride and commitment, leadership and organizational excellence.

SYSTEM EFFICIENCIES

Strategically align resources to support the mission, vision, and goals to achieve efficiencies of operations and success.
